TRANSPORTATION & LOCAL INFORMATION

Location & Access

Rocks Hotel & Casino is located in a strategic location in the center of Kyrenia, bringing together the dynamism of city life and the natural atmosphere of the Mediterranean. Situated within walking distance of the harbor area and the city center, our hotel provides easy access to restaurants, social venues, and shopping areas. Thanks to its seafront position and central location, it offers ideal transport convenience for both leisure and business stays.

Distance to Airport: Rocks Hotel & Casino is approximately 40 km from Ercan Airport and can be reached in about 35–40 minutes of driving time. Private transfer arrangements are provided upon request.

About North Cyprus

Cyprus, the third largest island in the Mediterranean after Sicily and Sardinia, is situated in the Eastern Mediterranean at the crossroads of three continents' trade routes. The total surface area of the island is 9,251 square kilometers, and the surface area of the Turkish Republic of Northern Cyprus is 3,355 square kilometers. The closest neighbor of the island of Cyprus is Turkey, located 65 km to the north. The island is also 112 km west of Syria and 418 km north of Egypt. According to 2014 statistics, the total population of the TRNC is 313,626.

The capital, Nicosia (Lefkoşa), is the largest city in the TRNC. Famagusta (Mağusa) and Kyrenia (Girne), located on the coast, are other major cities. Güzelyurt and Lefke are two towns famous for their extensive citrus groves. Northern Cyprus enjoys a typical Mediterranean climate, with hot, dry summers and mild winters. Most rainfall occurs between November and March. In January, the coldest month, average temperatures range between 9°C and 12°C. In August, the hottest month, average temperatures (in the shade) range around 37°C to 40°C.

FIRE & EMERGENCY SAFETY GUIDELINES

IF YOU DETECT A FIRE:

- Activate the nearest fire alarm call point immediately.
- Inform the hotel operator by dialing Ext: 0.
- Leave the building if safe to do so. NEVER USE THE ELEVATORS.

HEARING THE FIRE ALARM:

- Touch the door handle with the back of your hand to check for heat. If hot, DO NOT open the door.
- If cool, open cautiously. Take your room key with you. Do NOT use elevators.
- If smoke is present in the corridor, stay low to the floor and crawl on hands and knees.

IF TRAPPED IN YOUR ROOM:

- Turn off the air conditioning unit immediately.
- Report your room number to the operator by dialing Ext: 0.
- Seal gaps around doors and air vents using wet towels, curtains, or bedsheets.
- Use wastebaskets to bring water from the bathroom to keep fabrics wet.
- If smoke enters, make a tent over your head with a wet blanket.
- Only open or break a window if necessary and if no smoke or flames are rising from below.

FOR YOUR SAFETY:

Please locate the fire escape routes and exit points on the floor map behind your room door upon arrival.
